

110V 220V 148wh Backup Battery Power Station Portable Outdoor Power Generator

Our Product Introduction

for more products please visit us on enikolnewenergy.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: ENIKOL
- Certification: CE FCC UN38.3 MSDS DGM ROHS PSE
- Model Number: EPA-148
- Minimum Order Quantity: 100 sets
- Price: \$75.00/sets 100-499 sets
- Packaging Details: Colorful box
- Supply Ability: 10000 Set/Sets per Month

Product Specification

- Power Source: AC Adaptor, Car, Solar Panel
- Battery Type: Lithium Ion
- Inverter Type: Pure Sine Wave
- Controller Type: MPPT
- Special Features: Type C, USB, LED Light
- Material: ABS+PC
- Charging Functions: Support Ac, Car And Solar Charging
- Charging Time: 6~7hours
- Cycle Life: >500 Times
- AC Output: 100W/150W PEAK
- Battery Capacity: 148WH(4000mah)
- AC Voltage: 110V / 220V
- DC Output: 12V~16.6V/10A(13MAX)
- Output: 2*USB+1*QC3.0USB+1*USB Type C
- Port: Shekou

Our Product

Product Description

110v 220v Solar For Rechargeable Battery 148wh Portable Backup Power Supply Station Outdoor Power Generator

Product Description

PORTABLE POWER SUPPLY

Support charge through
solar panel

40000mAh

lithium ion battery

12V-16.6V output

LED Flashlight

110V/220V output

POWER SUPPLY

Safety and portability serve for emergency charging

Calmly deal with all kinds of emergency situations,
Emergency indoor and outdoor lighting, essential goods for mountains,
pastures, field trips, field trips.

AC Output

110V/220V/50HZ/60HZ

DC USB

Normal charge

USB1+USB2 (Black)

QC3.0

USB3 (Blue)

DC USBC

5V/9V/12

2.1A(Max3.1A)

DC(Φ 5.5*2.1mm)

12V-16.6V

10A 13A(MAX)

POWER SUPPLY

Your power guardian

In case of power failure or travel needs, it can provide power for your appliances or digital products. Support DC output, USB output, AC output.

[Application Fields]

Digital Products

Low power appliance

Emergency indoor
and outdoor lighting

POWER SUPPLY

LED lighting/Rescue flashlight

Start emergency lighting and rescue system, lighting at night
High frequency flashing reminder and SOS signal

Single press

to light up the
flashlight

The second click
switch to blink mode

The third click
switch to SOS mode

The forth click
to turn off the light

POWER SUPPLY

Multi-safety Protection Safe to use

Smart chip multiple protection to ensure more security

POWER SUPPLY

HD LED display

High-definition LED Display: the battery column shows the remaining capacity and AC,DC,USB,TYPE C states all on this LED display

POWER SUPPLY

Support multiple charging methods

AC Adapter
Charging

Solar Panel
Charging

Car Cigarette Lighter
Charging

POWER SUPPLY

Built-in circulating cooling system

Intelligent circulating cooling system, when the temperature rises to a predetermined value, the fan automatically starts to circulate heat

POWER SUPPLY

Multiple Colors Available Customize For You

Crafted to create the perfect match between texture and color

Product Specifications

The product is refined to every detail

Product Specifications

Capacity	4000mAh/148Wh
Dimensions(LWH)	210×90×190mm
Weight	1.7Kg
Built-in Battery	100% Original High Quality Lithium ion Batteries
Input Recharging	Adapter: DC19V/1.5A Solar panel: 16.6V~25V, 1.5A(MAX)
Fully Charged Time	DC 19V: about 7 hours
Output	USB1+USB2 5V /3.1A USB3 5V/9V 2.1A USB C 5V/9V 2.1A DC1+DC2 12V~16.6V 10A (13A MAX)
DC Output (MAX)	12V~16.6V/10A(13 Max)
AC Output	The AC output range of this product between 100V~240V/50Hz~60Hz
Bulb Type	Ultra bright LED Flashlight
Power Indicator	LED Display
Operation Temperature	-10°C - 40°C
Lifecycle	>500 times

POWER SUPPLY

Product Acessories

1 x Portable power supply

1 x Product packaging

1 x Adapter

1 x User Manuel

1 x Car Charger

1 x Car lighter interface

★★★★★
Color: 110V

An excellent device, took for long trips to nature. I tried to connect a 40 W fan to a 220 V output, then an old TV 200 W, and my telephone, laptop, everything works, the phone and all sorts of trivia charges without problems, no load out. thank you! In general, I recommend. 10 Oct 2021 23:19

★★★★★
Color: 220V

Excellent products and excellent sales staff. I have questions about the product, and the salesperson is very attentive and quickly proposed a solution. Fast shipping and well packaged, I suggest 100%. I use it to power a 22-liter compressor refrigerator in a camper, and it can last two days. It is very suitable for charging devices such as computers and mobile phones. I will buy one from the same salesman in the future, very happy! 29 Nov 2021 01:21

★★★★★
Color: 110V

An excellent generator. It comes with in 7 days. I took it for backup power when the lights were turned off in the country. I use dokio 80 w solar panels, I connected the projector, everything works. I connected a 450w blender, mixed the base for the pancakes at the highest speed. Fast charging works, made with high quality, have tooked it to outdoor picnic once, works perfect. 22 Oct 2021 02:53

Company Profile

Damien new energy technology Shenzhen Co., Ltd. is located in Guangming District, Shenzhen, Guangdong Province, China. The company has been committed to the R & D, production and sales of new energy and supporting products. The main products are, energy storage lithium battery, outdoor portable power supply, solar panels and its components, solar inverter, glow stick and so on. The products are widely used in large-scale photovoltaic energy storage projects, UPS energy storage, outdoor emergency, household energy storage, electric vehicles, security products, fire emergency equipment, various digital electronic equipment, etc. With high-quality products, good reputation and excellent services, it is sold well in Europe, North America, the Middle East, Southeast Asia, Africa and other countries. The company has more than 10 senior engineers and more than 40 professional technicians. Damien has the ability to provide customers with all-round design and manufacturing. We can customize these products according to your needs and provide them to customers all over the world. Damien new energy has won wide praise for its excellent quality in the field of lithium battery and photovoltaic energy storage. The company has always adhered to the principle of quality first, customer first, high-quality service and abiding by the contract, to provide customers with high-quality products and high efficiency services. We will serve our customers wholeheartedly to achieve a win-win situation.

FAQ

1. who are we?

We are based in Guangdong, China, start from 2021, sell to Africa(20.00%), Mid East(20.00%), North America(15.00%), Western Europe(15.00%), South Asia(10.00%), Northern Europe(10.00%), South America(5.00%), Eastern Europe(5.00%). There are total about 51-100 people in our office.

2. how can we guarantee quality?

Always a pre-production sample before mass production;

Always final Inspection before shipment;

3.what can you buy from us?

Glow Stick, Energy Storage Lithium Battery, Outdoor Portable Power Supply, Solar Panels, Solar Inverter

4. why should you buy from us not from other suppliers?

Damien tech an industry and trade integration enterprise, with super strong technology and production capacity, products include all kinds of power supply, the most important thing is to customize all kinds of power supply according to your needs.

5. what services can we provide?

Accepted Delivery Terms: FOB,CIF,EXW,FCA,DDP

Accepted Payment Currency:USD,EUR,AUD,CNY;

Accepted Payment Type: T/T,L/C,D/P D/A,MoneyGram,Credit Card,PayPal,Western Union,Cash;

Language Spoken:English,Chinese,Spanish,Japanese,French
